Japanese Karate-Do Federation August Judo & Nihon Jujutsu Seminars

Mission Viejo, California USA

More than fifty adult and junior members of the Japan Karate-Do Federation Hombu dojo, and associated programs, attended the judo & Nihon Jujutsu seminars on Sunday, August 9th.

Paul Godshaw, JKF Shihan, and life-long proponent of Japanese Martial Arts, sponsored the event.

While regular training at the JKF Hombu dojo, and affiliated local programs, focuses primarily on Shotokan Karate-do, members are also encouraged to study the ways and means of related Japanese arts in order to more fully understand the origins of Japanese *budo* (classical Japanese martial arts), including modern and ancient arts such as aikido, kendo, kobudo, iaido, judo, Nihon Jujutsu, and others.

Summer Festival Season in Japan

Matsuri (祭) is the Japanese word for a festival or holiday. In Japan, festivals are usually sponsored by a local shrine or temple. There is no specific matsuri day for all of Japan; dates vary from area to area, but festival days fall near traditional holidays such as Setsubun or Obon.

Almost every locale has at least one matsuri in late summer or early autumn. They are usually related to the rice harvest.

Festivals often feature processions which include elaborate mikoshi (portable shrines) which are paraded through the streets. Gion Matsuri of Kyoto is one of the most famous festivals in Japan.
